INSTITUTION - INDUSTRY CELL (IIC) COMMITTEE

Academic Year 2024-25

Rajiv Gandhi Institute of Polytechnic, Latur is established. The Institution Industry Cell under the Industry Institute Interaction Scheme of the Ministry of Human Resources Development, Govt. of India with sole aim to understand industrial requirements of the region and act as bridge between academia and Industry. The cell has so far conducted Business Plan Competition since its inception to cultivate entrepreneurship skills among students.

VISION AND MISSION INCLUDES:

• **Education**

The IIC aims to develop educational programs that meet industry needs and produce students who are ready for the job market.

• **Industry collaboration**

The IIC aims to promote collaboration between institutions and industry to share expertise and benefit both parties.

• **Research and development**

The IIC aims to conduct research and development activities that are relevant to industry needs.

• **Industrial training**

The IIC aims to provide industrial training and internships for students and faculty.

• **Industry engagement**

The IIC aims to engage with industry through visits, seminars, and workshops.

Industry experts

The IIC aims to invite industry experts to share their knowledge and expertise through guest lectures and other programs.

OBJECTIVE:

1. To synchronize the quality of education to meet the current trends and needs of industry.
2. To produce employable students i.e., "Industry-Ready students."
3. To create adequate facilities for upgrading knowledge of professional engineers and technologists to meet the growth and developmental needs of the current industry.
4. To integrate industrial training and other inputs to develop students.
5. To share the experience and expertise between institutions and industry for mutual benefits.
6. To improve students, faculty, infrastructure, pedagogy in line with the industry's requirements.
7. To arrange industrial visit, internships for students and guest faculty from industry experts.
